

DTAC Evidence File Warranty

- Should your DTAC evidence file be deemed not acceptable by any reviewing body, we will work with you to remedy any required aspects.
- If needed, we will work with the procuring authority to help them fully understand your DTAC evidence file and to ensure its assessment is rapidly completed.
- Any such work will be free of charge and completed within 5 working days.

Please note this warranty does not include a provision for any ongoing work you may need to undertake on our advice, such as updating your digital product(s), to ensure they remain clinically safe, secure, interoperable or accessible in line with DTAC.
